Mrs. Jas. Carter and daughter were down from Berea first of the week visiting relatives and friends. John Martin and Jas. Morris were over from Horse Lick Wednesday. Christmas passed off quietly; no drunkenness; to the credit of the boys. The Christmas Tree was well attended and good order prevailed. Many costly presents were distributed. G. T. Johnson made us an excellent Santa Claus.

Squire-elect S. L. Durham says, he is going to have the way of working county roads changed. Some person wanted to bet that there would not be a half-dozen items in the SIGNAL this week from Wildie. They did not know Rastus was hearing them. Green Durham, who is working with the K. C. railroad bridge crew, spent the Holidays here with relatives and friends. Bogie Phillips is on the sick list. Dr. J. W. Sams has returned home after spending Christmas with homefolks, near Livingston. Walter Bower has resumed his duties as night owl after spending Christmas with his parents, at Parksville. Robert Sams, a brother of our clever doctor, came up from Livingston with him. Ralph Bower, of Parksville, is here learning telegraphy under his brothers, Willie and Walter. Our telephones were a little out of whack first of the week. We do not know whether they were just getting over Christmas, or the operator at the exchange in Mt. Vernon, our service has been very poor. D. Mullins went to Jellico Monday to work in the mines. L. C. Smith passed through Monday en route to Louisville.

Gov. Shaw professes to have the Abe Lincoln faculty of refusing to worry over the bridges to be crossed until he gets to them, but he possesses another faculty that may prove troublesome to Secretary of the Treasury. He talks too much.

Miss Fannie Culton's school closed December 21. It was well taught both in books and morals and we do sincerely hope she will be the teacher at Scaffold Cane again in 1902. Miss Culton returned to her home in Richmond, Sunday the 22.

Christmas opened in a gay time. Mr. and Mrs. Harry Blazer gave a dinner on Xmas day to the Blazer families. Mr. and Mrs. Coddington and Miss Ethold Richardson, from Berea, and Mr. and Mrs. See were honored with an invitation. The dinner was grand, prepared by Mrs. Stella Blazer, who is a splendid cook. Many handsome presents were received; Mrs. John Blazer's sons and daughters making her a present of a handsome black silk.

The peoples first chance to express an opinion on the Schley case that will count will be at this year's Congressional elections.

## CRAB ORCHARD

Miss Susie Dillion is visiting at the River Mansion, in Livingston.

Christmas has come and gone and left sadness as well as gladness in its wake.

Misses Austin, Harris and Henry, of Lancaster, are visiting the Misses Beasley.

Colored wedding in town Thursday: Miss Emma Buchanan and Mr. Orange Jones, contracting parties.

Miss Arthusa Cloyd left Christmas Eve to spend the winter with friends in Covington and Cincinnati.

Charlie Holman, a bright little boy of Mrs. Claudie Holman, has been in business for his uncle, Jno. Carson, in Brewton, Ala., is here spending a few days with his mother.

Dr. J. M. Bronaugh, a former Crab Orchard boy, but now a resident of Purcell, I. T., is visiting homefolks here. A whisper in the air that he will take a fair Lexington bride home with him. So mote it be.

On Christmas Eve a cutting scrape occurred near the depot, between Jno. Payne and Andy Thompson, the latter receiving a knife wound. Also a shooting affray took place in town on same day, in which Charley Likens was badly wounded, receiving three shots. Hiram Grant, the perpetrator of the deed is in Stanford jail. Likens has a wife and four small children, and is in a critical condition.

The ladies of Crab Orchard made a beautiful Christmas Tree, and every one in the vicinity, big, little, old and young, rich and poor, were remembered, and all seemed to be gay and happy, but in the midst of their mirth the scene was changed. Forest Foley, who was dressed up to represent Santa Claus, covered with cotton, came too near the lights and took fire. For a few minutes there was almost a panic, but a few cool heads, succeeded in subduing the flames and restoring quiet to the excited audience. Young Foley's hands were badly burned and he was slightly burned about the neck and face.

Crab Orchard will lose some of her good citizens in the near future. Ike Herrin will soon go to Stanford, to take charge of the jail. D. B. Edmiston, one of the best citizens of our town, has a government position in Louisville, and has gone there to begin business. His wife and little daughter, Miss Lillie Paxton, will go in the near future. The citizens of Crab Orchard may well feel proud of Mr. Edmiston as a fellow townsman. He is about 45 years old; born and reared here; never was known to smoke, chew, take a drink of whisky, or swear an oath; has been a strict member of the Baptist church from his boyhood. He was always in his pew in church unless away from home, and he and his estimable wife will be sadly missed in all work tending to the upbuilding of the Church. May prosperity attend them in their new home, and may they live long to do good, and make others happy, as they have always done while here.

## FAVORABLE COMMENTS.

The Mt. Vernon Signal's Christmas edition was no slouch. It was a credit to the editor and publisher. —Evening Post.

The Mt. Vernon Signal's Christmas edition was a hummer. It contained eight pages of reading matter, pictures of prominent Rockcastle people and well set "ads," and would have been a credit to a town many times larger than Mt. Vernon. We congratulate Editor Albright on his splendid effort. —Interior Journal.

## HOME AND CHILD

Does your horse "feel his  
oats"? What a difference be-  
tween the grain-fed and the  
grass-fed horse! The first  
strong and full of ginger, the  
second flabby, weak and tired  
out before he begins. The  
feeding makes the difference.  
Children are not alike either.  
One is rosy, bright-eyed, full  
of life and laughter, another is  
pale, weak and dull. The feed-  
ing again is responsible.  
Sickly children need special  
feeding. They don't "feel their  
oats". Scott's Emulsion adds  
just the right richness to their  
diet. It is like grain to the  
horse. The child gets new  
appetite and strong digestion.  
Scott's Emulsion is more  
than food. It is a strong  
medicine. It rouses up dull  
children, puts new flesh on thin  
ones and red blood into pale  
ones. It makes children grow.  
Scott's Emulsion makes ordi-  
nary food do its  
duty.  
This picture represents  
the Trade Mark of Scott's  
Emulsion and is on the  
wrapper of every bottle.

**"OLD HICKORY" CHIPS.**  
(By Our Associate Editor.)  
Hanna is neither fool nor cur.  
He may not be able to beat Roose-  
velt, but he'll give him a run for  
his money.  
It cannot be truthfully said that  
New York is free from open gam-  
bling as long as Wall Street contin-  
ues to "do" the "suckers."  
Six States—Minnesota, North  
and South Dakota, Montana, Idaho,  
and Washington—are now in the  
fight against the big railroad trust.  
Mr. Roosevelt dropped public  
business during Christmas week,  
in order that he might devote his  
entire time to strengthening the  
Roosevelt machine.  
De Wet licks the British often  
enough to keep John Bull's South  
African troubles from being forgot-  
ten, either by British tax-payers or  
the rest of the world.  
If the Ohio scrap between For-  
aker and Hanna be the Roosevelt-  
anti-Roosevelt affair as many believe  
it to be, it will add to the fun of the  
democratic spectators.  
Col. Watterson hints that in  
making a monkey out of Tom.  
Platt, Mr. Roosevelt was merely  
taking the first step toward estab-  
lishing a political menagerie.  
"Billy" Mason has bloomed out  
as the champion of the fake publish-  
ers who object to being denied  
second class mail privileges. Better  
look out, "Billy," you are playing  
with fire.

According to some of his friends,  
Gov. Shaw accepts the Treasury  
portfolio with a mental reservation  
he'll be for Roosevelt if Roosevelt's  
nomination is a certainty; otherwise  
he'll be for Shaw.  
Hasn't Secretary Long worked  
that 1 don't want to retire under  
fire dodge about long enough? He  
will be under fire deservedly, too  
as long as he remains at the head of  
the Navy Department.  
The Anti-Trust League caused  
suits to be brought for the revoca-  
tion of the charters of several Ohio  
railroads. Hon. Tom L. Johnson,  
Mayor of Cleveland, is interested in  
the prosecution of the suits.  
Republican Congressmen are be-  
ginning to apologize for the high  
salaries paid American officials in  
the Philippines. It is only a  
question of time when they will be  
apologizing for American owner-  
ship.

The bare mention of Schley's  
name before any assemblage of men  
and women never fails to evoke ap-  
plause. Even the staid members  
of the American Historical Associa-  
tion, which recently held its annu-  
al convention in Washington, was  
roused to enthusiasm by the inci-  
dental mention of Schley's name  
by its chairman. There is a mean-  
ing in this sort of thing that Con-  
gress will be wise to heed.

**WOMAN'S RELIEF**  
A really healthy woman has lit-  
tle pain or discomfort at the  
menstrual period. No woman  
needs to have any. Wine of  
Cardui will quickly relieve those  
smarting menstrual pains and  
the dragging head, back and  
side aches caused by falling of  
the womb and irregular menses.  
**WINE OF CARDUI**  
has brought permanent relief to  
1,000,000 women who suffered  
every month. It makes the men-  
strual organs strong and healthy.  
It is the provision made by Na-  
ture to give women relief from  
the terrible aches and pains which  
blight so many homes.  
GREENWOOD, L.A., Oct. 14, 1900.  
I have been very sick for some time.  
I was taken with a severe pain in my  
side and could not get any relief until  
I tried a bottle of Wine of Cardui. Be-  
fore I had taken all of it I was relieved.  
I feel it my duty to say that you have a  
wonderful medicine.
